PRODUCT DETAILS

The Rowen Chair, an exquisite addition to our existing collection, introduces a matching chair that mirrors the refined elegance and comfort of the Rowen line. Its wide width offers generous "chair-and-a-half" seating, perfect for luxurious relaxation. The chair features knife-edge back pillows and cushions filled with a plush mix of down, feathers, and high-resilience density foam, wrapped in down and feathers for supreme comfort. Each piece sits atop an oak wood recessed plinth base, maintaining the collection's modern, floating appearance. This new chair enhances any space with its sophisticated design and commitment to quality, inviting you to experience comfort enveloped in luxury.
